CAUTION

Carefully read and follow the warnings and instructions.

- Just because wearing XSPEX™ makes you look like a super-hero, it doesn't make you one. Always Ride with Care!
- This XSPEX™ product is designed to reduce glare and provide reasonable protection from wind, snow and fogging while participating in certain winter alpine sports activities.

THIS GOGGLE IS NOT INTENDED FOR ANY OTHER USE

- This goggle is not intended to and will not protect you from all impacts with hard objects or any chemical splashes.
- Please ski or ride in control and always be aware of your surroundings, direction and speed.
- Do not immerse your goggle in water.
- This product is not intended for use by children ages 12 or under.
- This product is not designed to be worn with glasses even though they may fit comfortably.
- In the case of damaged or cracked lenses, do not use goggles until the damaged/cracked lenses are replaced.
- California Proposition 65 WARNING: This product may contain chemicals known to the State of California to cause cancer, or birth defects, or other reproductive harm.

Ensure you peel and remove the inner lens protective sticker prior to use!

Lens Replacement

The XSPEX™ goggle features an interchangeable Full-Frame lens system to allow the use of different tinted lenses to match user needs. The lens retention mechanism is a series of magnets positioned around the perimeter of the lens assembly. Removal of the lens assembly can be done easily by separating the lens from the goggle frame.

Lens Removal and Attachment

1. Detach the Lens by gently flexing the frame back from the edge of the lens. The magnets will release and you can easily replace the lens. **NOTE:** * Avoid pulling on the protective foam comfort barrier.
2. Gently place the replacement lens over the opening of the frame and align the magnets with those on the frame.
3. Always be careful when handling the lens as it may scratch if dropped or improperly handled.

Goggle Care

- Your XSPEX goggles come with a soft cloth bag for storage and cleaning. It's best to use this cloth to clean your goggle lens. **NOTE:** * Do not use paper products such as napkins, newspapers and/or other abrasive material to wipe the lenses. Your Warranty will become null and void.

Hints and Tips!!

- Let your goggles dry completely before storing.
- Store your XSPEX goggles in the soft cloth pouch.
- For maximum protection store your goggles in your pouch then place inside the hard case
- Don't use your gloves to clean your lens!! The pressure may cause the coating to scratch.
- Don't use lens cleaner like those used for prescription glasses as it may contain chemicals that may be harmful to the lens coating.

WARRANTY

Limited Lifetime Warranty

Your XSPEX™ goggle (the “Product”) is covered by a limited lifetime warranty covering manufacturing defects for LIFE! (the “Limited Lifetime Warranty Period”) and is only valid to the original purchaser or any person receiving the product as a gift, with proof of purchase from an authorized XSPEX™ dealer.

XSPEX™ guarantees that the Product will be free from defects in materials and workmanship for the practical lifetime of the product and will repair or replace your goggles (shipping fees may apply) for accepted warranty claims.

XSPEX™ has the sole discretion to determine manufacturer’s defects. XSPEX™ does not warrant any user-caused lens scratches, or any damage or defects caused by improper care, negligence, modifications or alterations, improper product use, abuse, accidents or loss of the product. This warranty does not affect the legal rights of customers under applicable State, Provincial and National law governing the sale of consumer goods.

All implied warranties, including the warranty of merchantability and the warranty of fitness for a particular purpose, are limited to the original owner.

In order to speed up potential warranty processing, please register your product by completing the XSPEX warrantee claim form on our website at: www.xspexworld.com

LIMITATIONS TO OBTAIN WARRANTY:

THE WARRANTY DOES NOT COVER THE FOLLOWING CASES:

1. Damage to goggles caused from anyone of the following: theft, misuse, abuse, misplacement, non rational use
2. Damages that occurred by not following product instructions and warnings.
3. Damages that occurred by not following the maintenance instructions (such as cleaning, storage etc.).
4. Damages that occurred due to any changes/attempted changes to the product.
5. Damages that occurred due to exposure to any liquid agents
6. Product being sold/traded or gifted by original owner to any person

“1 – TIMER” Warranty Offer
